Construction project to begin on Interstate 29 near Pembina

Construction will begin on northbound Interstate 29 from the Bowesmont Interchange to the Canadian border and southbound Interstate 29 from the Canadian border to the Joliette Interchange, Friday, July 22. Work consists of preventative maintenance and pavement marking.

During construction:

- Speeds will be reduced to 40 mph in the work zone
- Traffic will be reduced to one lane with a width restriction of 16 feet
- Flaggers will be present in the work zone
- Oil may be present on the shoulders of the roadway
- Motorists may experience delays

This project is expected to be completed by late August.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
